1. What do we stand for as SGA?

SGA wants to be known for its advocacy, ability to solve students' issues, activities to enrich life of students while on campus, channel between administration and students.

2. What are the main issues that students have?

Some problems that students face nowadays is the lack of activities and entertainment, some bad professors, new activity hour, Tobacco Free campus policy, ticket software for clubs, Wi-Fi.

3. What type of community service do we want to support as SGA?

HIV awareness, books for schools and/or students (because this relates to us as students), etc.

4. Budget Committee

Since our treasurer Anthony DiGregorio only has Tuesdays and Thursdays available for meeting, we are in search of senators willing to meet any of these days and become part of the budget Bringing back Cruise for the beginning of the semester.

5. Cruise for the beginning of the semester

This project needs approval of the budget committee and senate. More information can be found on the formal proposal written by president Shanice Blades.
