

## SGA Executive Board Meeting

**Place: Meeting Room, Campus Center**  
**Time: 8:36am -8:59am**  
**Meeting called to order by: SGA E-Board**

**Date: October 1, 2013**  
**Minute Writer: Maria Cervantes**

### **Members Present:**

- President Shanice Blades
- Treasurer: Anthony DiGregorio
- Secretary Maria Cervantes

### **General Information:**

1. Retreat: Waiting for updates.
2. Suny Assembly November 8-10 at Rochester. Tasks to be delegated in senate meeting. <http://www.studentassembly.org/initiatives/events/conferences/>
3. Office Renovations: 8,000 dollars from budget allocated for Physical Plant to paint it.
4. NY Times printed version: A survey was conducted during club fairs and most of the students agreed we should have copies of it. According to senators who guided the short research, having less copies than last semester (Spring 2013) is better, since there was too many copies and it was a waste of money. This should be put in the agenda of the next Finance Committee.
5. SGA will be hosting a forum where students would walk in and ask questions to the different organizations representatives on campus (Barnes and Noble, Aramark, Student Activities, etc.)
6. SGA Spirit Cruise: Funding was approved by Finance Committee. Still, it has to be approved by higher authorities on campus. Chaperons are needed. All members should talk to different staff and faculty members. Date: October 24. Time: 9pm-4am.
7. Tickets: In order for tickets for the Spirit Cruise and any other event on campus to be sold, someone needs to be hired. In the future, a ticketing software will be developed or bought but since that takes time, a person will be hired for this semester. Finance Committee will allocate money for this as soon as possible. This will be in the next Finance Committee meeting agenda.
8. Selection of Senate Leader. Different members are responsible for either think of people for nomination or nominate themselves. See bylaws of SGA for reference on different responsibilities of this position.
