

SGA Executive Board Meeting

Place: Meeting Room, Campus Center
Time: 8:43am -9:10am
Meeting called to order by: SGA E-Board

Date: October 8, 2013
Minute Writer: Maria Cervantes

Members Present:

- President Shanice Blades
- Vice President Edward Tully
- Treasurer: Anthony DiGregorio
- Secretary Maria Cervantes

General Information:

1. Ice Hockey Club: It was brought to the attention of the president of SGA that this organization does not follow all the guidelines of the mandatory student activity fee because it is a men only organization. Depending on an investigation, a letter will be sent to them, three weeks will be given so they can make necessary arrangements.
2. Gas Cards and Movie Tickets: Gas cards will not be available anymore since the money allocated for this was used to fund intramurals. There are still movie tickets in stock but hiring someone just to handle this would be a waste of money since funding to buy more has not been provided yet. The finance committee is in charge of reviewing if there is money available for this. Students have been requesting these subsidies a lot.
3. Finance committee: This committee is responsible for making changes to the process of how the budget is made. This renewal of the procedures will be started in the next finance committee.
4. SUNY SA: Signing up and registration for SUNY Student Assembly is in charge of Anthony DiGregorio and Michelle Gonzalez.

5. Senators Duties and Senate Meetings: Senators need to meet with the deans of the different schools they represent and have updates about any issue on campus every week. Meetings won't be every week; dates will be posted on Facebook. If a senator is going to skip a meeting to visit any of the clubs, this person has to inform it in advance, write a report about the club and send it through email.
