**Time: 8:43am -9:09am**  
**Meeting called to order by: SGA E-Board**

**Date: November 5, 2013**  
**Minute Writer: Maria Cervantes**

### **Members Present:**

- President Shanice Blades
- Vice President Edward Tully
- Treasurer: Anthony DiGregorio
- Secretary Maria Cervantes
- Advisor Eunice Ro
- Vice President of Student Affairs Dr. Corti

### **Alcohol Policy**

Out of the six SUNY technical universities, Farmingdale is the only one that does not allow the consumption of alcohol on campus. This, besides other reasons is why it is possible that by next semester things might change. The Alcohol Policy proposal to be presented to the college council was brought to the meeting by Dr. Corti. In summary, it will allow students of 21 years and above to drink in the privacy of their rooms as well as in other facilities on campus such as the ballroom, loft lounge, etc.

### **Tobacco Free Campus**

SUNY is pursuing a Tobacco Free Campus policy for all SUNY colleges. There will be an event about this on November 18 from 9:30 am to 2:00 pm at the campus center ballroom.

### **SGA Office Hours**

It was brought to our attention by advisor Eunice Ro that a lot of people have stopped by Student Activities office complaining that SGA members are never in their office. Since doing the office hours at the campus center is not being the best way to interact with students, from now on our office time will take place at our office in Roosevelt hall.

Votes: 3 in favor, 1 abstained
