

Nexus Center Funding Application for Unpaid Credit-Bearing Internships in SPRING 2025

Students in **unpaid** internships for academic credit **this spring 2025** may submit the following application to be considered for limited stipend funding. Funding awards will not be made until after the completion of the spring 2025 internship/after spring semester. Applicants should still be enrolled as students at FSC in spring 2025 to be eligible (graduates are not eligible).

Funding is not guaranteed and will be awarded on a **rolling basis if available**, upon the completion of college requirements. Funding decisions will be made at the discretion of the Nexus Center.
