

Applied Learning Acknowledgement Form

The Disney College Program is an **Applied Learning** activity. This activity fulfills 100% (10 hours) of the Applied Learning graduation requirement. If you would like to use the opportunity to complete the Applied Learning graduation requirement, please complete the following form and upload it to your application in AXIOM.

To earn the Applied Learning graduation credit for this program, you must:

- Submit a Certificate of Completion issued by the Disney College Program
- Have 1 advising session (Zoom/phone call/in-person) meeting with Prof. Tanya Maurer between the 8th and 10th week of your experience
- Submit a 1-page reflection paper by the end of **Week 12** of the semester

Signing below will register you for the Applied Learning (this is non-credit, no charge). Read the following statement and sign below. Be sure to upload the form (with signatures) to Axiom.

“I understand that by signing this form and submitting to Axiom, I am agreeing to the requirements to earn the Applied Learning for my graduation audit. If I do not meet all three criteria during the participating semester, I will not earn the Applied Learning designation.”
