

## **Farmingdale State College Campus Safety Advisory Committee**

### Mission Statement of the Campus Safety Advisory Committee

The mission of the Campus Safety Advisory Committee is to ensure Farmingdale State College embodies a safe and secure learning environment for all students, faculty and staff members. The committee's focus is on educating the campus community about policies and procedures of the University Police, personal safety, crime prevention, and sexual assault. Additionally, this committee will review policies and encourage activities that will enhance the nature of the relationship between University Police and the FSC campus community, and to encourage inclusivity.

Specific functions of the Campus Safety Advisory Committee are, ***but are not limited to:***

1. Committee members will serve as the contact point for safety concerns and will work with Farmingdale State College Administration to address concerns and identify corrective measures needed to minimize safety hazards.
2. The committee will improve policies and practices affecting members of the community who are victims of criminal acts taking place on or near campus.
3. On an annual basis, the CSAC reports recommendations for improving the safety and security of all members of the community to the President or their designee, and the Chief of the University Police in a comprehensive written report.
4. Addressing communication and education efforts between the UPD and the campus community and discussing ways to enhance communication, education and transparency.
5. The committee will discuss areas of improvement within the police department.
